

Game Time Basketball Camps Coaches and Crew Pledge

It is only through truly working together that all members of our team will help in achieving our Mission and Purpose.

In reading and signing this pledge, commit yourself to do whatever is required to create a mutually beneficial experience for yourself, the kids, their parents, and all others whom you will have the pleasure of working with.

I Pledge the following:

- I will help the Camp Director and my fellow coaches and all support staff to create a great camp experience, in general, for everyone involved in the process.
- I will help to ensure that every child is adequately supervised, and is duly released to their authorized parent or guardian, before ever leaving them, at the end of camp, or at any other time.
- I will help to ensure that the Game Time Basketball Camp rules and policies are adhered to, to the best of my ability, and whenever adherence is called for.
- I will encourage good sportsmanship by demonstrating positive support for all players, my fellow coaches, and officials at every game, scrimmage or practice or other youth sports event that I am involved in.
- I will place the emotional and physical well-being of every child ahead of any personal desire to win.
- I will insist that each child plays in a safe and healthy environment.
- I will remember that camp is primarily for the children and not for the coaches, parents or other adults, but will also do all I can to listen to, engage, empower, and inspire all those involved in the process.
- I will do my very best to make youth sports fun for every child.
- I will ask of every child that they treat other players, coaches, fans, and officials with respect - regardless of race, sex, creed, or ability.
- I will never give any child a non-constructive statement during or after a drill, scrimmage, or game, or camp.
- I will give my best effort and try to develop and improve my teaching skills, whenever I can.
- I will know that success comes from the satisfaction of knowing that every child gave their best effort to become the best they could be, and that I play a big part in making this happen.
- I will allow each child to feel free to make mistakes without fear of criticism or discipline, as a necessary part of their learning process.
- I will help the kids to realize: "If I'm giving my best I'm as good as anyone and my skills will improve", through my words and actions.
- I will help the kids enjoy the skill level that they are currently at and I will help them enjoy their improvement by helping them have fun, while they learn, work hard, play together and help others do the same.
