Testimonials:

"Hope all is well. Thank you again for the camp. It's taken my son's game to the next level. A few weeks after your camp he attended the BYU camp and won MVP of his age group - directly related to what he learned from you! His ball handling skills improved immensely." "Coach Gil is simply the best I've ever seen."

Thurl Bailey, former 16 year NBA/Pro Player, NCAA Champion, President Retired NBA Player's Assn, Utah Jazz Analyst

*The girls had an amazing experience. They are both elite (final 8 in the state team) players and often find camps too simple/repetitive regarding beginning skills. That was not the case.. The NBA level coaches worked one on one with them and showed them moves they had never seen. Ty was surprised about the new information and moves that were shared/taught/shown since she has been in basketball for several and attended numerous camps. She felt she was being given secrets no other coach has shared/knows.

Mom - of two 16 year old daughters. Playing varsity.

"Coach Gil, Keep up the great work. Thank you again. Be Blessed... Mark J." —

Mark Jackson - Pastor, 17 yr NBA veteran, and ESPN Broadcast Analyst

My kids love this camp, that's why we return every year! The coaches really do a great job with the kids.
